

SECURE HARD CARD STORAGE REQUEST & AUTHORIZATION

If you're an applicant that plans on being licensed longer than twelve months, or plans to apply to other states for licensure then we suggest to request and authorize Binary Biometrics to store an original hard card in our secure document safe so when it's time to renew your license or apply for another license in Florida or another state that we submit to, all you do is make one call we do it all.

I, _____ request 01001010 Biometrics d/b/a Binary Biometrics to store my hard card along with any other licensing information I provide in a secure, locked safe for a period of _____ months from the date below.

I understand and agree to pay a \$12.00 fee per year for the secure hard card storage and further understand that the fee is non-refundable.

By signing below, I authorize 01001010 Biometrics Inc. d/b/a Binary Biometrics to charge the credit card below in the amount of \$_____ (\$12.00 x YEARS).
